- E. Identified and worked closely with issue champions. Significant staff time.
1. Jim Spore – South/Western Hampton Roads workforce development.
 2. Steven Staples – Career and technical education for all Hampton Roads' school divisions.
 3. Marty Williams – Transportation.
 4. Paul Fraim – Major league sports.

- F. Kept “eye on the ball” and delivered consistent message. Significant staff time.
 - 1. Strategic plan was adopted in 1999 after an extensive process. It was modified in 2001 as the result of a full day board retreat.
 - 2. Progress reports have been communicated to the Executive Committee and Board on a regular basis.
 - 3. All of our actions and communication are centered on the strategies contained in the plan.

III. What have been the lessons learned?

- A. A broad coalition of support for a particular issue can be created if we are well prepared and have established a strong foundation.
- B. We have obtained good results in the expenditure of our funds when we have had a clear idea as to what we were trying to achieve versus relying on others to help define the objective.
- C. The value of champions cannot be underestimated. Somebody must make it happen.
